

ENSURING EXCELLENCE

Dear Parent/Carer,

As the parent of a child in the admissions area for The Telford Langley School we would like to invite you to our **Open Evening on Thursday 11th October from 6.30pm – 9.00pm.**

The Telford Langley School boasts state of the art facilities for sport, the arts, science, technology and ICT and the forthcoming Open Evening will be a fabulous opportunity to meet the staff and students as well as see the school in action.

The Telford Langley School has well and truly entered a new era in learning and achievement with a great deal to celebrate, including:

- **Record summer GCSE results for 2 years running.**
- **Praise from Ofsted for strong leadership and rapid improvements in teaching, behaviour and pupil progress.**
- **Recognition from Westminster as The Telford Langley School is featured in *"The Parliamentary Review"*, as one of a very small number of schools nationally, for *"best practice in secondary education"*.**

We believe that a combination of great facilities, strong leadership and a sponsor with a proven track record for "Ensuring Excellence" point to a future which is extremely bright for everyone associated with the school. Ofsted have already reported on the rapid improvements in behaviour, teaching and pupil progress, so why not come along to meet us and find out how we are committed to providing the very best education possible for your child?

Tours with the Headteacher during the school day can be arranged by calling 01952 386700.

We look forward to meeting you and your child.

Yours faithfully,

Mr S Carter
Headteacher

Mr P Hamilton, OBE
Chief Executive Officer, the Community Academies Trust
