The Wizard of Oz 2017 - Woodlands Blog

Today, we hopped onto the yellow brick road and went on an exciting journey. We were very lucky to have been invited by The Telford Langley School to view a performance of their production... 'The Wizard of Oz'.

We loved the performance and everyone involved should be very proud of themselves.

Have a look at some of us with the cast...

Then the cast decided to come and have a picture with everyone...

We hope that Telford Langley will invite us back again and look forward to the next production.
