ENSURING EXCELLENCE

Dear Parent/Carer,

As you may well be aware, it is Sport Relief on Friday 23rd March 2018. As a school, we will be supporting the charity by asking pupils to make a donation to attend the day in non-school uniform. This will be collected as pupils enter school.

As it is Sport Relief, pupils will need to wear suitable sports clothes. Pupils are still expected to bring normal school equipment including school bag and books.

Pupils will be taking part in a Sport Relief mile at different times throughout the day. The mile can be completed at the pupils chosen pace however, pupils must have trainers to take part.

Thank you in advance for supporting the school in raising money for this worthwhile cause.

Yours faithfully,

Mr K Preece
Deputy Head
